Case No. MP-2006-042

Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 993 for a minimum of \$1.5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum.

The \$500,000 primary and \$1 million excess WMATC Insurance Endorsements on file for respondent expired on March 31, 2006, and have not been replaced. Certificate No. 993, therefore, is automatically suspended under Regulation No. 58-02 and may be revoked if respondent fails to file the necessary WMATC Insurance Endorsement(s) and pay the \$50 late fee within thirty days. In addition, respondent failed to file a complete annual report and pay the carrier annual fee by January 31, 2006.

Under Regulation No 67-03, respondent now owes \$250 in late fees: \$50 for failure to timely file an acceptable WMATC Insurance Endorsement; \$100 for failure to timely file an annual report for 2005/2006; and \$100 for failure to timely pay the annual fee for 2006.

Respondent shall have thirty days to file the necessary Insurance Endorsement(s) and pay all late fees, or face revocation of Certificate No. 993.

THEREFORE, IT IS ORDERED:

1. That respondent shall not transport passengers for hire under Certificate No. 993, unless and until otherwise ordered by the Commission.

2. That Certificate No. 993 shall be subject to revocation pursuant to Article XI, Section 10(c), of the Compact, if respondent fails to file the necessary WMATC Insurance Endorsement(s) and pay \$250 by money order, certified check, or cashier's check within thirty days.
